DV-120. REASONS I DO NOT AGREE

I, Ashley Parham, do not agree with the Petitioner's request for a DV Restraining Order.

Brief History:

1. I met the Petitioner, Shane Pearce, on the night of February 3, 2018.
2. At first, our relationship was more as friends with some flirtation going both ways.
3. Shane had been diagnosed with cancer prior to my meeting him and I tried to be caring and supportive. Shane would call me at all hours every week claiming he was depressed and needed someone to talk to. Shane told me I was the only one he could trust to talk to.
4. Eventually, our relationship became physical and I did have consensual sex with Shane on one occasion on March 11, 2018.
5. On March 23, 2018, Shane called me and asked me to come over between 3 and 4 a.m. He said he was really sick and was having trouble opening his medication bottles because he was going through chemotherapy.
6. Shane began forcibly trying to have me engage in sex with him. Although I did kiss him, he was hurting me and I asked him to stop. At his point, one of his friends came into the room (I do not know the name of this person).
7. Shane's friend began to rape me while Shane was watching. Shane then raped me and the two took turns raping me for about 30 minutes or so.
8. I had taken a sleeping pill earlier in the evening and was unable to move by this point or effectively fight them off. I tried to push them away but I was slapped and I "became frozen with fear" and "shut down".

9. I filed a police report with the Orinda Police (overseen by the CCC Sheriff's Department.) **SEE EXHIBIT A**
10. I had repeat HIV testing following this incident. See Doctor's letter. **EXHIBIT B**
11. I admit I was very angry and upset after the rape and sent Shane some angry emails asking him why he had done this to me when I had tried to be such a good friend helping him while he was sick. **SEE EXHIBIT C** for a sample of emails. At the advice of my therapist, I wrote these emails to express my pain and my feelings since the police did not follow up on the rape allegation.
12. On October 11, 2018, Shane came to my house at about 4 a.m. after sending me threatening emails. I was not home and my father had to confront him. **SEE EXHIBIT D**
13. Shane continued to threaten and harass me after I filed the police report about the rape. I was 5150'd once in August of 2018 due to his calls to the police but was not kept at the hospital where it was determined that I was not a danger to myself or others. (The medical record will be available for the court's review at the hearing.)
14. I tried my best with the help of my therapist and a priest at the Vatican (while on vacation in Europe with my parents), I tried to forgive Shane and told him so. **EXHIBIT E**
15. Shane has consistently reached out to me even when he said he had "blocked me". **EXHIBIT F**

RESPONDENT'S REPLY TO REQUEST FOR DV RESTRAINING ORDER
In Re Matter of Pearce/Parham – D19-02677

Page 2

16. In 2019, Shane has continued his contact with me, for example asking in January, 2019 if I would help with his laundry. In January, February and March of 2019 he tried to Facetime me and call me. **SEE EXHIBIT G.**
17. In April, 2019, Shane put my picture and phone number on social media claiming I was an escort. **SEE EXHIBIT H**

Current Status:

18. There is no basis for a restraining order in this case.
19. Not only have I never threatened Shane, he is the one who raped and threatened me.
20. I have blocked Shane from all my accounts, and he has allegedly done the same.
21. The April 2019 message I sent about my being listed as an escort was the last contact I have had with Shane.
22. In his pleadings, Shane states that I sent a series of annoying and harassing phone calls on June 13, 2019. This is absolutely not true.
23. Because of the threats he has made to me, I am very afraid of Shane and have no intention of contacting him again or being anywhere around him. He deleted his address on the pleadings he sent me so I don't even know where he lives.

What I am asking for:

24. I am asking that the court deny this request for a restraining order.

NARRATIVE							
<p>On 4-17-2018 at 1414 hours, I was dispatched to a report of a rape that occurred on 3-23-2018 at 17 Loma Vista Drive in Orinda. Vic-Ashley Parham reported Sus-Shane Pearce and an unknown suspect had sexual intercourse with her at Pearce's residence. Parham reported she saved the underwear she wore that day.</p> <p>I contacted Parham by telephone at her request. I asked Parham to come to the Orinda Police Department to report the incident to me in person. Parham agreed and arrived at the Orinda Police Department. Parham, identified by her California driver's license provided me with the following statement in summary:</p> <p>Parham met Pearce at Dan's Irish Sports Bar located at 1524 Civic Drive in Walnut Creek on 2-3-2018. Pearce was at the bar celebrating his 40th birthday with his friends. Parham and Pearce began to talk and flirt with each other at the bar. Parham and Pearce kissed each other at the bar. Parham and Pearce continued to talk and drink alcohol. Parham stated she got shy and looked down. She felt a hand move her face up and she kissed Pearce again. Parham opened her eyes and noticed that she did not kiss Pearce, but she kissed his friend who looks like Pearce. Parham did not know Pearce's friend's name, but she called him Pearce's twin due to their similar looks.</p> <p>Later that night Parham and Pearce along with Pearce's friends went to Mr. Lucky's bar located at 1527 Lucust Street in Walnut Creek. Parham reported that she was raped in the bathroom at Mr. Lucky's by an unknown suspect. Parham believes the suspect is a friend of Pearce's, but she could not remember much because she was heavily intoxicated. Parham report the incident to Walnut Creek Police Department (WCPD report number 18-7665)</p> <p>Parham stated she has been a victim of sexual assault many times and started when she was very young. Parham said she has post-traumatic stress disorder (PTSD) from previous sexual assaults.</p> <p>Parham and Pearce continued to talk and text message each other after that night. Parham stated Pearce was fighting cancer and they both enjoyed talking with each other about their respective issues with Parham's PTSD and Pearce fighting cancer. On 2-18-2018 Parham and Pearce hung out together at his house in Orinda. Parham stated they did not have sexual intercourse that night but did kiss. Parham described Pearce at this point in their relationship at a "Perfect Gentleman."</p> <p>On 3-11-2018 Parham and Pearce had consensual sexual intercourse at Pearce's friend's house in Walnut Creek.</p> <p>On 3-13-2018 Parham received a video call from Pearce and his friend the "twin". Pearce asked Parham to come over</p>

to have sex with him and his friend. Parham declined and did not come over to Pearce's house.

On 3-23-2018 at 0300 hours, Pearce Called Parham and asked her to come over to his house because he was not feeling well due to cancer treatments. Parham was asleep and stated she took a sleeping pill before going to bed that night. Parham said she was surprised that she woke up when Pearce called her. Parham drove to Pearce's house. Pearce drove Parham up to Grizzly Peak Road to enjoy the view. About an hour later both Pearce and Parham went back to his house. Both Pearce and Parham ate edible marijuana. Parham stated she became extremely intoxicated between the sleeping pills and the marijuana. Pearce began to kiss Parham. Parham stated she was not expecting to have sex with Pearce because he said he was not feeling well.

Parham stated she was extremely intoxicated, sleepy, and could not move. Pearce then placed multiple fingers inside of Parham's vagina causing pain. Pearce then inserted his penis inside of her vagina and began to have sexual intercourse with her. Pearce then flipped Parham on to her stomach, and she was not face down. Parham then stated another man began to have sex with her while she was face down. Later she was able to see that the other man was Pearce's friend "The twin." Pearce and his friend took turns having sex with Parham. Parham stated she could not fight because she was intoxicated. Parham stated Pearce and "The twin" took turns have sexual intercourse with her for approximately 30 minutes. Parham was unsure if Pearce ejaculated inside her vagina. "The twin" was the last suspect to have sexual intercourse with her and Parham believes he did ejaculate inside of her vagina. Parham stated the two men did not touch her at the same time or commit any sexual acts at the same time with her.

After "The twin" finished he rolled over and laid next to Parham for a few minutes. Parham was unsure where Pearce was when "The twin" was laying next to her. Parham felt "The twin" get off the bed and he left. Pearce then laid down next to Parham on the bed. Parham fell asleep on Pearce's bed. She woke up later in the morning and went to Geppetto's Caffe located on Orinda Way and got breakfast for Pearce and herself. She then returned to Pearce's house and had breakfast with him. Parham then left after breakfast.

Parham did not speak to Pearce for a few days. On 3-26-2018 Parham went to Harborside marijuana dispensary located at 1840 Embarcadero in Oakland. When Parham was there, she saw "The twin" who was working as security at the dispensary. Parham did not speak to "the twin," but she did make eye contact with him. At 1645 hours, Parham sent Pearce a text message saying that she saw his twin at Harborside. Pearce did not respond to her text message.

Parham described Pearce's friend ("The Twin") as a white male adult approximately 35 to 40 years old, 6 feet tall with a thin build. Brown hair with brown eyes and a short beard. Parham could not provide any further description of the other suspect other than he looks like Pearce.

Parham and Pearce sent a few text messages back and forth then on 4-7-2018 at 1608 hours, Parham sent Pearce a text message "WHY DID YOU RAPE ME WITH YOUR FRIEND?" Pearce responded back with "Excuse me?!!!" I took photographs of the text message conversation, see attached. Pearce did not admit to any of the allegations that he raped Parham

I asked Parham why she did not yell or scream to stop. Parham stated she was frozen and was unable to be verbal due to her level of intoxication. Parham stated that she has been sexually assaulted many times in the past and when Pearce and his friend began to have sex with her she "shut down."

Parham said she saved the underwear and bra that she was wearing that day. Parham provided me with the underwear

Shane Paul Pearce,

Why did you or your friend just threaten me with "bad things" going to happen??? They already have when I was assaulted. I don't care if you kill me Shane. You destroyed me the night I came over to help you at 4am cuz u pretended to be sick with cancer & needed me to come over just to assault me. In March you could have just pulled him off me instead of hurting me with him & randomly telling him to not hurt me further. What have I done to you to deserve being raped??? I thought I was being a good friend checking in on you because I care, while you just saw me as prey to mess with.

Even though you Shane don't deserve my forgiveness for what your friend & you raping me has negatively done to my life, or my sympathy for you if you actually have cancer... I somehow have a little bit for you alone even though you have made zero effort to make things right and name your friend, give me closure, or ya know had pulled him off me like you should of. You're actions changed my life dramatically that night for the worst & I hope one day you truly understand the impact of your actions on others and get help in order to stop destroying people to the point suicide seems like the only action left. You could of had a good friend in me but you chose me as nothing more than prey to get off on and laugh at my pain. The difference between you and me is I would of dropped everything to be there for you when you're in need like I do for real friends & did for you THAT night (cause I stupidly thought we had a real connection when in reality I was just prey) and you never saw me even as a potential friend or anything positive. I was just easy pickings for you to fake a friendship just enough to gain my trust and break it and my heart & soul by what looks like a plan to rape me from the beginning. You never were interested. I was just prey to rape later for you're entertainment. What did I do so bad to you that you think I deserved this?

So what "bad things" are coming my way from that phone convo threat around 2am???

Fuck you & your friends for fucking with me on the phone and actually threaten me with bad things happening at my address after everything that's happened to me.

Threatening me tonight means jack shit to me Shane... I'm not afraid of you. I don't give a fuck if you kill me or had killed me March 23rd. It would of been kinder of ya than faking being my friend to get me over & let that sick fuck friend of yours hurt me. I don't understand why you would let your friend hurt me when you alone could of had it purely consensual. I guess it's more about power over me that you wanted than sex. Why did you want to hurt me when I came over to help you?!?! I'll never understand.

Ok so... ya had fun tonight being drunk & fucking with me with even more of your friends after everything your friend & ya did. Congrats on having fun off the pain you caused Shane. Whoever threatened me needs to fuck off. I'm guessing the threat came from you Shane or the unnamed friend who assaulted me worse. You should of pulled him off me!!!! How would you like it if someone did what you two did to your kid.

Fucking get help if that's acceptable behavior to you. And get help for drinking and whatever else you do that makes you feel the need to be fucked up all the time and unconcerned with how your actions hurt those around you including the horrible pain you caused me after faking being a good man.

I don't know why people like you get off on hurting repeatedly sexually abused women like me for fun. Especially one who's been through it since childhood. Why did I have to be your prey instead of a friend or some chick you never spoke to!!! I didn't deserve what happened to me. I stupidly hoped you would of been innocent and he took advantage of you too but all your actions prove how little you think of me. I'm basically less than trash to you. BUT... Threatening me further over my phone & address equaling bad things for me is fucked up!!!! I deserve better than this. I deserved better from you Shane. I didn't deserve worse PTSD. I didn't deserve the first person I was stupid enough to trust to get intimate with in 6 years would flip on me and let his friend rape and destroy my life and faith in humanity. Fuck you for wanting me to kill my self and destroy me because I'm fragile from a life time of abuse you'd probably find funny.

I really wish you could of just been the guy I hung out with the 1st night at your place and the 2nd at dales instead of what you ended up being. I don't understand why you are ok with what happened to me and have no remorse or ability to apologize. But why would you care when that nice guy persona was just an act.

Hope your threat was valid but at the same time I don't care if you kill me after what you did.

Even though you only saw me as worthless prey... I genuinely hope you are cancer free and healthy. It must be nice to

-ashley the bitch you only care to taunt laugh at and abuse with your friends.

Btw... please thank your "friend" or random guy at the bar from last night who had your phone and literally said "I didn't deserve any of it" about what your friend and you did to me. I needed to hear that. At least you have one friend with a conscience other than dale who seems decent to not want to inflict pain on me or others. I hope you get the help you need to fix whatever is inside you that needed to have power over me and cause me extreme pain & bring back my ptsd to the extreme, which I had been so proud of myself for finally managing it w/o meds & getting myself back on my feet to start my own business in 2018 before I met you & you decided I was just prey & changed the course of my life.

I genuinely hope you're cancer free/feeling healthy from all that crap you were going through and choose to make a change to better yourself and your health & confront your addiction and issues that made you not see me as human worthy of kindness & being friends. Instead you wanted to destroy me while I wanted to help you & be there for you during your cancer in any way you needed.

I didn't deserve what happened at your house in March. I went over to your house to help you & be there for you cause I care I deserved you protecting me from your sick friend instead of what happened. I deserved so much better treatment for coming over at the drop of a hat that night to come take care of you and make you feel better. I don't understand why people love to hurt me this deeply.

I wish I never let you gain my trust & give you the chance to pretend to be such a kind caring guy who kept calling to check in on me to see if I was ok/talk/make me laugh/pretend to care & be there for me over the assault in WC bar! Also don't understand why you'd make the effort to take me out of a room to avoid a rape scene in a movie to protect me but didn't give a fuck to protect me from your disturbed friend you won't name. Even the night of the assault at your place you sounded stressed while telling him not to hurt me further. I'll never understand why you flipped on me or most likely you never cared and it was all part of the plan to gain my trust to hurt me more later because I'm an easy target

Like many victims of assault I've been struggling w/ my selfworth, ptsd, severe depression and suicidal thoughts because I'm extremely desperate to find a reason why YOU did this to

me!?!?? Sadly I'll never receive the answer to why you did it, why you didn't see me as a human worthy of life or friendship, or why you gained my trust just to destroy me... because the answers all lie in your heart which I have zero access to in order to heal myself from what happened.

Do you even understand that You were the first person in 6-7 years I was able to trust enough to be intimate with & let touch me because you were so good at pretending to be my friend and so kind to keep checking in on me to see if I was ok. I thought I had found an amazing friend in you & was extremely grateful for that friendship untill you full flipped on me and chose to assault me with your disturbed unnamed friend.

Before you gained my trust to assault me (with your obviously more guilty, sick & demented friend in March) I had regained my sense of feeling safe in the world and you took that away from me. You have made me feel worthless, not even human, not worthy of kindness/love/ or respect. Your choices have irreparable changed my life forever while you get to live your life like nothing happened and lie to the world that I'm just some crazy liar which works perfectly for you in a world where everyone especially cops care more to victim blame than do police work & the fact that "A women's anger never goes unpunished" even if justified. Your lucky I have no one who cared to help me even tho it was your friend who belongs behind bars. You on the other hand need mental help to better yourself. Your friends a lost cause and will only get worse.

Good luck hanging with a guy who literally said he wanted to fuck your daughter Trinity in a creepy rapist stalker way. I hope you at least protect her from that unnamed friend & warn her of him to keep her safe. SHE DOESN'T DESERVE THIS PAIN FROM YOUR FRIEND OR ANYONE & I HOPE YOU HAVE SERIOUSLY LISTENED TO ME ABOUT WHAT HE HAS INSINUATED ABOUT DOING TO YOUR DAUGHTER AND PROTECT HER LIKE YOU DIDN'T PROTECT ME FROM HIM.

PLEASE DONT LET HIM HURT HER TOO. SHE DESERVES TO LIVE LIFE NOT KNOWING THIS TYPE OF PAIN.

What I take away from the threat I received last night from you and your friends is: The fact you know my phone number means you know where I live, and bad things are going to happen.

Bad shit already happened.

I don't care if I die so why should I care about "bad things happen"...ing to me? Living after being raped by someone you trusted is the most painful thing YOU could have done to me. Killing me that night would of been a blessing.

I'm not afraid of you or your unnamed rapist friend knowing where I live. I'm guessing only your unnamed rapist friend would want to do that anyways. You seemed smarter & like you might have a bit of a conscience. But... I was wrong about you being that kind caring guy when you're a Jekyll and Hyde.

Either way... you're two white men so you can get away with anything you want. While rape victims get ignored, villainized, blamed and shamed into silence and isolation by the rapists/their friends, cops, & society.

[Quoted text hidden]

them like he did me. I hope you protect them unlike how you tossed me to the predator. I hope you get to live the rest of your life cancer free & never have to suffer from being raped the way I was by you two. I wish you the best in life and are able to make positive changes to stop causing destruction in others life's like mine. I hope I can find some form of strength to get through this brutal pain you caused me and not fall victim to the statistics of killing myself in a ptsd thoughtless autopilot tactical state of mind where I'm not fully aware to stop myself like I almost did in 2011 after an assault. You reignited that part of my ptsd I had under control for years. Now I'm afraid of what my future holds because of what you chose to do to me, my life, and my survival. I hope you take a lot of time and look deep in yourself with a therapist to figure out why you did it and how you could/can treat me as a subhuman cumdumpster to abuse for fun. I hope you get help and change for the better and find reasons for your actions and never assault someone else with or without that disturbing friend of yours. Your "drunken can't remember" abuse is not a good answer. I wish you had cared just the tiniest bit about me to have protected me from your psycho rapist friend or admitted his name since he will only get worse & bring you & other innocent girls down with him. But sadly u are with him & my Stockholm syndromes desperation for you to be innocent and it just be him guilty is unrealistic and just wishful thinking that the one person(YOU). I was stupid enough to let my guard and walls down for you and I actually wanted to get to know you and felt safe enough to be intimate with you after not letting people touch me for 7 years. The fact I stupidly fell for your kind act just to get assaulted again after 7years of avoiding men and friend zoning everyone is tragic. Especially because I'm never interested in anyone in that way & the one I choose to trust & care for ended up being just another abuser like my ex husband only you upped the time frame

I hope one day I can live free from the pain you caused me and go outside and live my life like normal people or people like you who get to walk around like nothing happened and not in fear of more "bad things happening" to me from u and your friends from last nights bar. It's not fair you can go on hikes in nature all alone. Hiking around the bay is one of my favorite things to do & you took that away from me too because I'm afraid to run into you and your unnamed friend since you like the outdoors as much as I do. I've barely left my bedroom since you assaulted me I lost all faith in humanity

I, Ashley Parham, have a ^{video} copy of Shane Paul Pearce showing up uninvited to my house demanding to see me to my father. I was at my boyfriend's house. This was the 4th time Shane has shown up uninvited to my house since raping me in March 2018. This is the only time the door was answered. I kept the video because I became afraid he would hurt my family. - Ashley P.

Shane, I truly hope I am blocked and you didn't get these messages. Thank God I'm at the Vatican today to heal my soul. I got blessed in the Sistine Chapel after confession of the sexual abuse I suffered as a kid & adult & the February rape & your friend incident. He gave me the best advice on it all & blessed me & felt true healing & peace for the first time in months. I truly hope the best for you in life. I understand you don't want to know me. I genuinely forgive you for hurting me even though you can't see that you have and I'm trying very hard to find true forgiveness in my heart for all the abuse I've suffered in 35 years. I don't know what else to say to you other than I have forgiveness & love in my heart for you & wish you the best in life & good health. I will delete your number and emails from my phone to give you peace. 🙏 take care of yourself & stop smoking cigs. Your daughters deserve their father to stay around and support them... not live the unhealthy lifestyle you live after surviving cancer. Bye Shane.

Statement:

At 4:45 am on October 11, 2018 I was awoken by our dogs barking and the doorbell ringing. I got out of bed and went to the front door but did not turn on the interior lights or talk to him. I noticed that the motion sensor lights were on and the person at the door rang the door again and knocked repeatedly. He also said loudly "open up Ashley". My daughter as not at home. She was at her boyfriend's home. I watched him through the door for over 10 minutes. He walked away and came back and continued to knock and demand that Ashley open up. He seemed drunk or on something. He seemed very agitated and unable to stand still. I knew he was not her boyfriend or anyone else that I recognized. After almost fifteen minutes I brought my dog down and turned on the interior lights. I then asked angrily who he was and what he wanted. He didn't respond to either question. He mumbled something and hurried away from the door. He immediately drove off. I then went out the door with the dog and looked around the corner to make sure that he had really left the neighborhood. I was very concerned about his bizarre behavior and immediately called my daughter and told her about the incident. She was concerned enough to download and save the security video's.

I declare under penalty of perjury under the laws of the State of California the foregoing is true and correct.

Case Number: **Warnings and Notices to the Restrained Person in ②****If You Do Not Obey This Order, You Can Be Arrested And Charged With a Crime.**

- If you do not obey this order, you can go to jail or prison and/or pay a fine.
- It is a felony to take or hide a child in violation of this order.
- If you travel to another state or to tribal lands or make the protected person do so, with the intention of disobeying this order, you can be charged with a federal crime.

You Cannot Have Guns, Firearms, And/Or Ammunition.

You cannot own, have, possess, buy or try to buy, receive or try to receive, or otherwise get guns, other firearms, and/or ammunition while the order is in effect. If you do, you can go to jail and pay a \$1,000 fine. You must sell to or store with a licensed gun dealer or turn in to a law enforcement agency any guns or other firearms that you have or control. The judge will ask you for proof that you did so. If you do not obey this order, you can be charged with a crime. Federal law says you cannot have guns or ammunition while the order is in effect.

Service of Order by Mail

If the judge makes a restraining order at the hearing, which has the same orders as in this form, you will get a copy of that order by mail at your last known address, which is written in ②. If this address is incorrect, or to find out if the orders were made permanent, contact the court.

Child Custody, Visitation, and Support

- **Child custody and visitation:** If you do not go to the hearing, the judge can make custody and visitation orders for your children without hearing from you.
- **Child support:** The judge can order child support based on the income of both parents. The judge can also have that support taken directly from a parent's paycheck. Child support can be a lot of money, and usually you have to pay until the child is age 18. File and serve a *Financial Statement (Simplified)* (form FL-155) or an *Income and Expense Declaration* (form FL-150) if you want the judge to have information about your finances. Otherwise, the court may make support orders without hearing from you.
- **Spousal support:** File and serve an *Income and Expense Declaration* (form FL-150) so the judge will have information about your finances. Otherwise, the court may make support orders without hearing from you.

Instructions for Law Enforcement

This order is effective when made. It is enforceable by any law enforcement agency that has received the order, is shown a copy of the order, or has verified its existence on the California Law Enforcement Telecommunications System (CLETS). If the law enforcement agency has not received proof of service on the restrained person, and the restrained person was not present at the court hearing, the agency shall advise the restrained person of the terms of the order and then shall enforce it. Violations of this order are subject to criminal penalties.

Arrest Required if Order Is Violated

If an officer has probable cause to believe that the restrained person had notice of the order and has disobeyed the order, the officer must arrest the restrained person. (Pen. Code, §§ 836(c)(1), 13701(b).) A violation of the order may be a violation of Penal Code section 166 or 273.6.

Case Number: **If the Protected Person Contacts the Restrained Person**

Even if the protected person invites or consents to contact with the restrained person, the orders remain in effect and must be enforced. The protected person cannot be arrested for inviting or consenting to contact with the restrained person. The orders can be changed only by another court order. (Pen. Code, §13710(b).)

Conflicting Orders—Priorities for Enforcement

If more than one restraining order has been issued protecting the protected person from the restrained person, the orders must be enforced according to the following priorities (see Pen. Code, § 136.2, and Fam. Code, §§ 6383(h), 6405(b)):

1. *EPO*: If one of the orders is an *Emergency Protective Order* (form EPO-001), and it is more restrictive than other restraining or protective orders, it has precedence in enforcement over all other orders.
2. *No-Contact Order*: If there is no EPO, a no-contact order that is included in a restraining or protective order has precedence in enforcement over any other restraining or protective order.
3. *Criminal Order*: If none of the orders includes a no-contact order, a domestic violence protective order issued in a criminal case takes precedence in enforcement over any conflicting civil court order. Any nonconflicting terms of the civil restraining order remain in effect and enforceable.
4. *Family, Juvenile, or Civil Order*: If more than one family, juvenile, or other civil restraining or protective order has been issued, the one that was issued last must be enforced.

Child Custody and Visitation

- The custody and visitation orders are on form DV-140, items ③ and ④. They are sometimes also written on additional pages or referenced in DV-140 or other orders that are not part of the restraining order.
- Forms DV-100 and DV-105 are not orders. Do not enforce them.

Certificate of Compliance With VAWA

This temporary protective order meets all “full faith and credit” requirements of the Violence Against Women Act, 18 U.S.C. § 2265 (1994) (VAWA), upon notice of the restrained person. This court has jurisdiction over the parties and the subject matter; the restrained person has been or will be afforded notice and a timely opportunity to be heard as provided by the laws of this jurisdiction. **This order is valid and entitled to enforcement in each jurisdiction throughout the 50 states of the United States, the District of Columbia, all tribal lands, and all U.S. territories, commonwealths, and possessions and shall be enforced as if it were an order of that jurisdiction.**

Addendum

1. Ashley Nicole Parham did the following things to me: Parham continuously calls, emails, texts, or contacts via social media; despite me making it explicitly clear that I want no further contact. I have blocked her from every social media account, my phone, my email. Parham will still contact me with other people's phone's, new numbers and fake social media accounts. Parham is interfering with my reasonable expectation to live a peaceful life. All despite informing her of my February 2018 diagnosis of cancer and my October 2018 diagnosis of ALS she still continues her harassment. At times doubling her efforts.
2. Ashley Nicole Parham said to me: attached are several pages of her words in screen shot's of emails, and texts as well as confirmation through two separate Walnut Creek P.D. reports that annotate her threatening to hurt or kill herself deeming wellness checks from officers. Ashley Nicole Parham sent me text messages, instant messages, email and voicemail messages. The messages say: messages intended to cause alarm, harassment and annoyance as shown in attached evidence.

I'm depressed out of my mind over what happened after the last time I slept with you. It's not fair I've suffered in silence about the stupid painful miscarriage. You and my doctor are the only people who know it happened. I don't know why it's affected me this bad. Probably because you couldn't even find an ounce of compassion for what I went through right after you pretended you wanted to be friends just to fuck me. I don't know why I care that you're doing ok when I'm going through hell physically from the painful syndrome that's fucking up my life faster than I imagined & emotionally from you lying that you're infertile. It's physically impossible that it was anyone else's but yours unless you're crazy and believe in immaculate conception. I'm not trying to be with you or even in your life. Im just dying on the inside over everything. Being ignored after miscarrying you're "infertile" swimmers is so heartless and cruel.

Hopefully you blocked me on all ways including this email. Ya don't need to bother unblocking my texts or phone calls like we talked about anymore. I'm stupid for trying to make you care about me. That's not the kind of person I should be trying desperately to have in my life. I don't know why I like and wanted you in my life as much as I have. Sorry. I deserve people who actually want my luv & attention. Luckily I'll be outta the country for a month to keep your stupid face from my mind. Think that'll do some good to forget you.

Sorry I contacted you too much explaining shit you could not care less about. I think it's part of my ptsd where people have tried &/or thought they killed me during assaults & I saw my birth mom get killed as a kid so I'm always telling people how I feel cause I don't expect to live long due to ptsd. I've already outlived my birth mom and "brother" due to gunfire with my luck I just expect to go out like them so I tell people too much especially if I care about them. I expect you to fully hate me on a whole new level now! I'm not telling you shit for empathy or sympathy I don't need it. I'm just trying to explain my abnormal behavior. Hope you start taking care of yourself and your loved ones. Lol I'd mail you your cigs but I think it's cheaper for you to just buy more. 🙏🏻🙏🏻

Anyways... I hope your okay cause I woke up to missed calls from you. I stayed at my friends Justin and Josie's house cause my parents came back to town a couple days ago & I already need my space. Lol I need to move ASAP. Sorry I missed your calls. You still have me blocked though. Btw my dad said you were a very nice man. Lol he left a message & when I called him back I told him you were Shane the guy I was hanging out with earlier in the year. They don't know any of the drama between us. You actually are a pretty nice guy when u feel like it. Would of been nice to see ya brat! I was passed the fuck out by then. Unblock me if ya ever want to hang. Lol call me back cuz I wanna hear what you where up to last night

My dad just texted me to say sorry for being stern with ya he just was tired & didn't know who ya were. He said ya looked scared or something & wanted to apologize. He doesn't know anything negative about you. Sorry ya had to deal with that... but... if I wasn't blocked

Shane, I'm so sad that I fell for thinking we were at least friends & not just someone you know how to use. I really wish you hadn't blocked me on the "anniversary reaction" weekend for being raped in that bathroom. 🌹💔 u have no idea how much pain I'm in over so much I won't talk about. Why do you enjoy adding more pain?

Since ya blocked me like a child before giving me a chance to have a voice my feelings....

Yeah I was going through ptsd from the anniversary reaction and turned to the wrong person. You hurt my heart bad enough to never call or contact you again. I'm not the kind of girl who likes being used for one night stands and giving hour+ massages to someone who has made it more than clear you hate me and enjoy hurting me. Yeah cruel intentions is on point.

Gmail - I'm hurting

More importantly...

You better really be fully infertile!!!! And actually got checked after you're surgery like that Drs letter you sent said to do!!!! Cuz you're the only one I've had sex with in months & im late & would be forced to abort cuz I don't want to give a child a cruel father I'd be forced to see again. Luckily it's my body and if I am I don't need to tell you what I do.

U must of felt like such a big man making fun of me with your friends while I'm going through shit. Pathetic to kick someone when their down!!! EVERYTIME you were down and called I dropped everything & was there for you. Your a psychopath by getting off on causing pain to others. If you did somehow knock me up I'd keep an innocent kid away from someone as cruel as you

Please give me closure. Why did you call me over for "help" tell me things I wanted to hear just to fuck me and instantly treat me like shit the next day? You're heartless and cruel to me for fun & to entertain your friends at my expense. It hurts to be used so harshly. You're lack of empathy is scary. You're ability to be so good at faking like you like me until sex and an hours massage is over. Than it's like you want to taunt me into killing my self
